

Midget Blocks—Block 115

Midget Blocks are a series of wonderful little blocks adapted from an antique sampler quilt made during the 1930s. I hope you'll enjoy making these blocks and a sampler quilt of your own. Most of these blocks were made using just two colors. A print or solid color and the background fabric. This block in the original quilt was constructed using brown solid, red plaid and the background fabric.

In the antique quilt this block is the ninth block from the left in the first row.
