

## Midget Blocks—Block 122

Midget Blocks are a series of wonderful little blocks adapted from an antique sampler quilt made during the 1930s. I hope you'll enjoy making these blocks and a sampler quilt of your own.

Most of these blocks were made using just two colors. A print or solid color and the background fabric. This block in the original quilt was constructed using pink and green solid color fabrics.

### Liberty Star- 4 1/2"

In the antique quilt this block is the fifth block from the left in the sixteenth row.

This block is well suited for foundation piecing
