

Midget Blocks—Block 147

Midget Blocks are a series of wonderful little blocks adapted from an antique sampler quilt made during the 1930s. I hope you'll enjoy making these blocks and a sampler quilt of your own.

Most of these blocks were made using just two colors. A print or solid color and the background fabric. This block in the original quilt was constructed using a green print, green solid, pink solid and an off-white solid fabric

Flowering Nine Patch - 4 1/2"

In the antique quilt this block is the third block from the left in the seventh row.

This block is easiest to construct using hand or machine piecing

The 1/4" seam allowance is NOT included on templates so they can be used for hand piecing. Add your seam allowance when cutting your fabric.

Any rotary cutting measurements INCLUDE the 1/4" seam allowance
