

## Midget Blocks—Block 156

Midget Blocks are a series of wonderful little blocks adapted from an antique sampler quilt made during the 1930s. I hope you'll enjoy making these blocks and a sampler quilt of your own.

Most of the blocks were made using just two colors. A print or solid color and the background fabric. This block in the original quilt was constructed using a light pink solid, medium pink solid and off-white background fabric.

### Pontiac Star - 4 1/2"

In the antique quilt this block is the sixth block from the left in the eleventh row.

This block is easiest to construct using hand or machine piecing

**The 1/4" seam allowance is NOT included on templates. Add your seam allowance when cutting your fabric.**
