

Midget Blocks—Block 159

Midget Blocks are a series of wonderful little blocks adapted from an antique sampler quilt made during the 1930s. I hope you'll enjoy making these blocks and a sampler quilt of your own.

Most of the blocks were made using just two colors. A print or solid color and the background fabric. This block in the original quilt was constructed using a blue print fabric, blue solid and pink solid background fabric.

Love's Knot - 4 1/2"

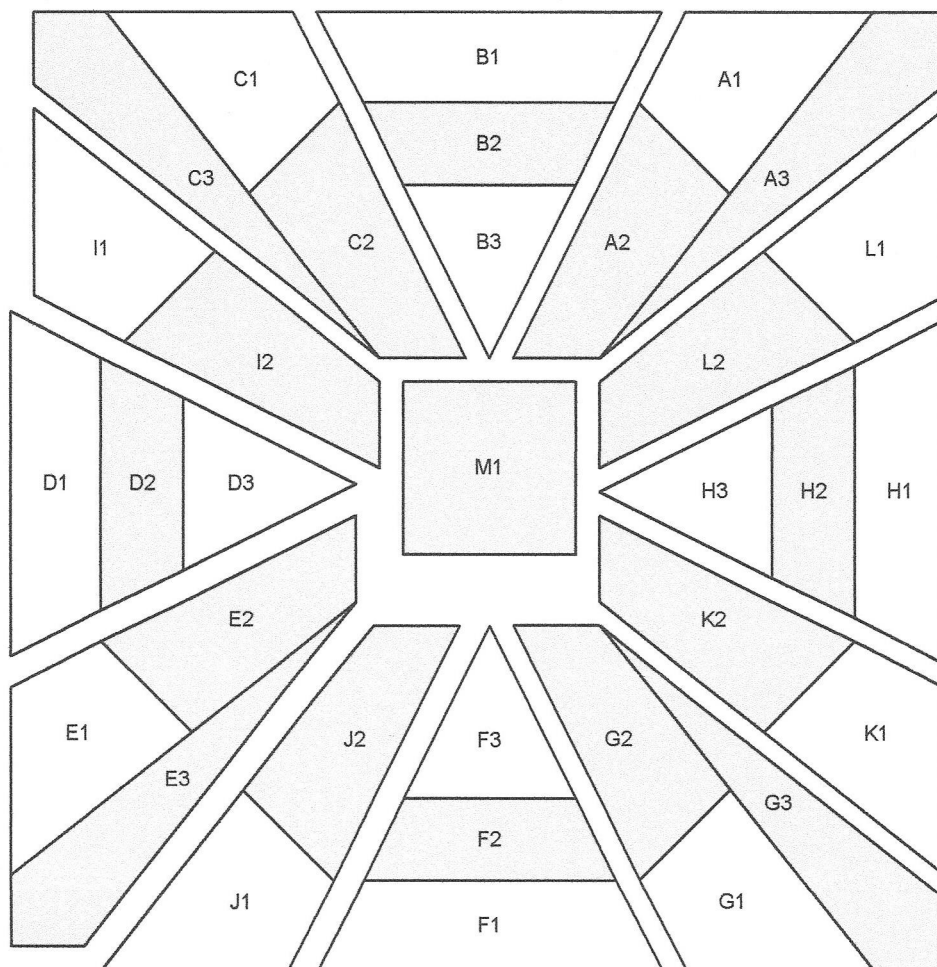

In the antique quilt this block is the seventh block from the left in the eighth row.

This block is easiest to construct using a combination of foundation paper piecing and applique.

The 1/4" seam allowance is NOT included on foundations and templates. Add your seam allowance when cutting your fabric for hand or machine piecing.

Assembly

- Foundation paper piece sections A—L
- Sew together in a square "ring" with a hole in the center.
- Applique the M square to the middle completing the block..
