

Midget Blocks—Block 162

Midget Blocks are a series of wonderful little blocks adapted from an antique sampler quilt made during the 1930s. I hope you'll enjoy making these blocks and a sampler quilt of your own.

Most of the blocks were made using just two colors. A print or solid color and the background fabric. This block in the original quilt was constructed using a purple, dark green and hot pink solid.

Cable Blocks - 4 1/2"

In the antique quilt this block is the eighth block from the left in the third row.

This block can be constructed using a variety of techniques.
