

Midget Blocks—Block 164

Midget Blocks are a series of wonderful little blocks adapted from an antique sampler quilt made during the 1930s. I hope you'll enjoy making these blocks and a sampler quilt of your own.

Most of the blocks were made using just two colors. A print or solid color and the background fabric. This block in the original quilt was constructed using a pink, blue, purple, yellow and green solid, brown print and cream solid background fabric.

Unknown - 4 1/2"

In the antique quilt this block is the fifth block from the left in the fifth row.

This block can be constructed using a variety of techniques but I think hand piecing is best. I'd print this page on freezer paper and cut out the shapes to use as templates.

The 1/4" seam allowance is NOT included on templates. Add your seam allowance when cutting your fabric for hand or machine piecing.
