

## Midget Blocks—Block 169

Midget Blocks are a series of wonderful little blocks adapted from an antique sampler quilt made during the 1930s. I hope you'll enjoy making these blocks and a sampler quilt of your own.

Most of the blocks were made using just two colors. A print or solid color and the background fabric. This block in the original quilt was constructed using a two red prints, a red solid, cream solid and green solid background fabric.

### Glistening Star - 4 1/2"

In the antique quilt this block is the third block from the left in the sixth row.

*You can hand or machine piece the star and the applique to the background square.*

*You can print this page on freezer paper and cut out the shapes to use as templates.*

The 1/4" seam allowance is NOT included on templates. Add your seam allowance when cutting your fabric for hand or machine piecing.

Cut a 6" square for the background and trim to 5" after appliqueing the star in place.
