

Midget Blocks—Block 190

Midget Blocks are a series of wonderful little blocks adapted from an antique sampler quilt made during the 1930s. I hope you'll enjoy making these blocks and a sampler quilt of your own.

Most of the blocks were made using just two colors. A print or solid color and the background fabric. This block in the original quilt was constructed using a pink solid, green solid, yellow print and a tan background fabric.

Flower of Spring - 4 1/2"

In the antique quilt this block is the eleventh block from the left in the eleventh row.

You can hand piece or applique piece this block.
