

Midget Blocks—Block 91

Midget Blocks are a series of wonderful little blocks adapted from an antique sampler quilt made during the 1930s. I hope you'll enjoy making these blocks and a sampler quilt of your own. Most of these blocks were made using just two colors. A print or solid color and the background fabric. This block in the original quilt was constructed using an red solid and a light orange solid fabric.

Blazing Star—4 1/2”

In the antique quilt this block is the tenth block from the left in the fourth row.

This block is well suited for foundation piecing.

- Foundation piece one each of sections “A “ - “C” - “E” and “G”. ***

*** the foundation pattern is reversed so colors will be in the correct position after they are sewn.

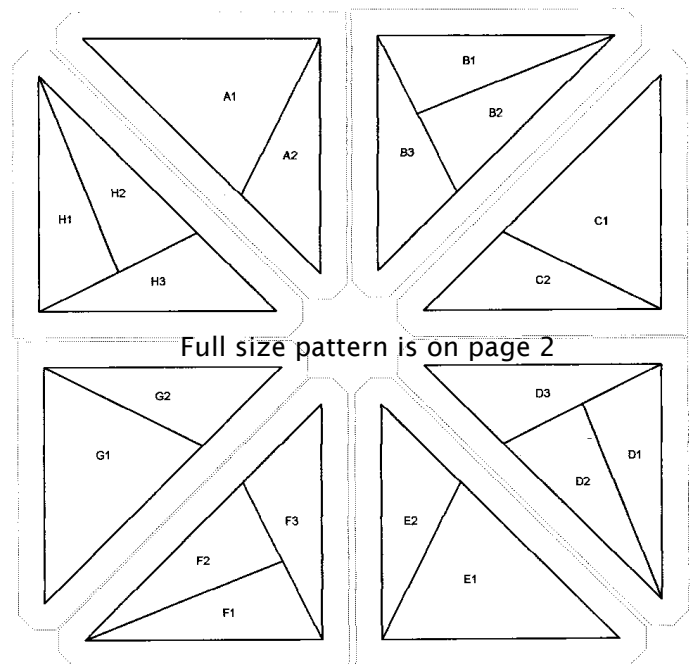

- Foundation piece one each of sections “B” “ - “D” - “F” and “H”.

- Sew B to C, D to E, F to G and H to A forming four squares.

- ♦ Sew squares together as shown below.
