

Midget Blocks—Block 92

Midget Blocks are a series of wonderful little blocks adapted from an antique sampler quilt made during the 1930s. I hope you'll enjoy making these blocks and a sampler quilt of your own.

Most of these blocks were made using just two colors. A print or solid color and the background fabric. This block in the original quilt was constructed using a light, medium and dark blue prints in addition to the background fabric.

Weathervane—4 1/2"

In the antique quilt this block is the third block from the left in the tenth row.

This block is well suited for foundation piecing.

- Foundation piece each row of the block

- ♦ Sew rows together to complete the block.
