

Midget Blocks—Block 14

Midget Blocks are a series of wonderful little blocks adapted from an antique sampler quilt made during the 1930s. I hope you'll enjoy making these blocks and a sampler quilt of your own.

Most of these blocks were made using just two colors. A print or solid color and the background fabric. This block in the original quilt was a mint green and soft blue.

Gem Block 4 1/2"

My favorite method of construction for this block is Foundation Paper Piecing. You'll need a fat 1/8th (9" x 22") of each color.
