

## Midget Blocks—Block 17

Midget Blocks are a series of wonderful little blocks adapted from an antique sampler quilt made during the 1930s. I hope you'll enjoy making these blocks and a sampler quilt of your own.

Most of these blocks were made using just two colors. A print or solid color and the background fabric. This block in the original quilt was constructed using red, blue and tan solid color fabrics.

### Airplane 4 1/2"

In the antique quilt this block is the first block from the left in the first row.

I altered the piecing lines in the original block to allow for foundation paper piecing.
