

Jane's Redwork—Block #119

This block is a special treat from my collection of antique designs. It's from an old Royal Society kit to make an oblong pillow. I'm including the pattern in two sizes. The pillow is about the size of a travel pillow. The instructions read:

The faces of the Kewpies are outlined in a single thread of dark blue. The pupils of the eyes are worked in satin stitch with one single thread of dark blue.

The rest of the Kewpies and the bench outlined with double thread of dark blue.

The two lines around the heart are outlined with double thread of dark blue.

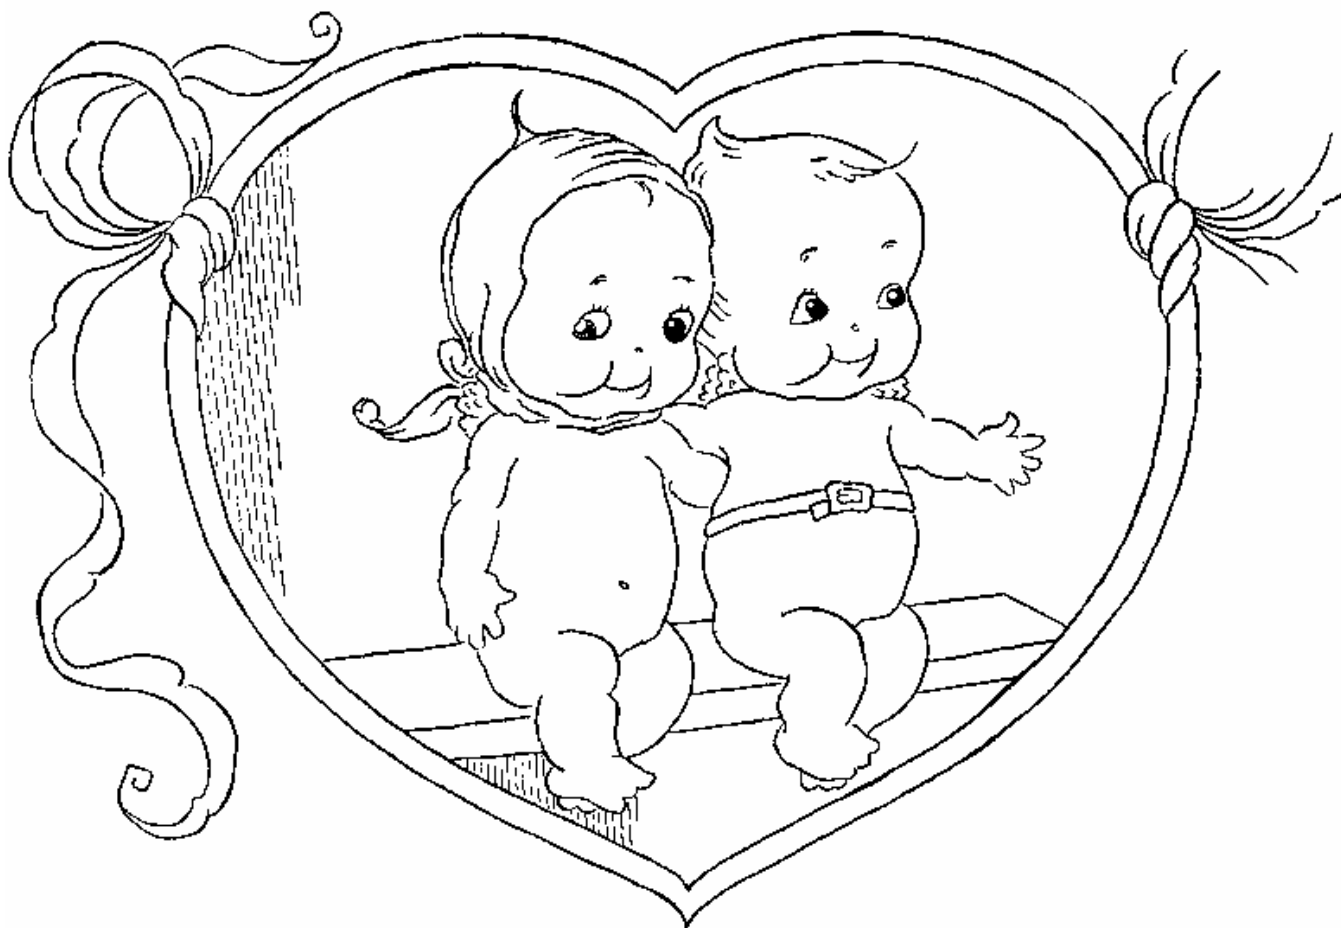

The background is darned with single thread of light blue.

The ribbon is outlined with double thread of light blue.

The outline stitches must be very fine and even in working the Kewpies.

Finish the edges with lace.
