

Midget Blocks—Block 55

Midget Blocks are a series of wonderful little blocks adapted from an antique sampler quilt made during the 1930s. I hope you'll enjoy making these blocks and a sampler quilt of your own.

Most of these blocks were made using just two colors. A print or solid color and the background fabric. This block in the original quilt was constructed using two fabrics; a red solid and the background fabric.

The Airplane—4 1/2"

In the antique quilt this block is the second block from the left in the fifth row.

This block is well suited for foundation paper piecing.
