

# Midget Blocks—Block 100

Midget Blocks are a series of wonderful little blocks adapted from an antique sampler quilt made during the 1930s. I hope you'll enjoy making these blocks and a sampler quilt of your own.

Most of these blocks were made using just two colors. A print or solid color and the background fabric. This block in the original quilt was constructed using medium pink, dark pink, light green, medium green solids and the background fabric.

*I chose to use a print fabrics for my illustration.*
