

Midget Blocks—Block 93

Midget Blocks are a series of wonderful little blocks adapted from an antique sampler quilt made during the 1930s. I hope you'll enjoy making these blocks and a sampler quilt of your own.

Most of these blocks were made using just two colors. A print or solid color and the background fabric. This block in the original quilt was constructed using a blue print, light blue solid and medium blue solid.

Cross & Crown—4 1/2"

In the antique quilt this block is the third block from the left in the seventeenth row.
