

Midget Blocks—Block 107

Midget Blocks are a series of wonderful little blocks adapted from an antique sampler quilt made during the 1930s. I hope you'll enjoy making these blocks and a sampler quilt of your own.

Most of these blocks were made using just two colors. A print or solid color and the background fabric. This block in the original quilt was constructed using pale yellow solid, lt. yellow solid, yellow print, multi-color print and the background fabric.
