

Midget Blocks—Block 113

Midget Blocks are a series of wonderful little blocks adapted from an antique sampler quilt made during the 1930s. I hope you'll enjoy making these blocks and a sampler quilt of your own.

Most of these blocks were made using just two colors. A print or solid color and the background fabric. This block in the original quilt was constructed using two blue solid color fabrics & the background fabric.

Ship- 4 1/2"

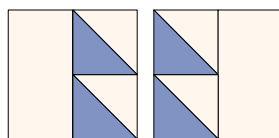

In the antique quilt this block is the ninth block from the left in the fourth row.

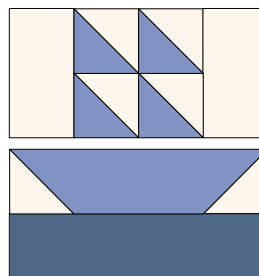

This block is well suited for foundation piecing

- Foundation piece units A through C for each of the four ships

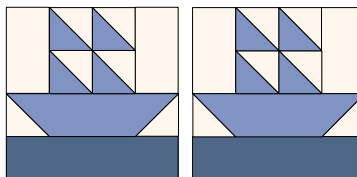

- Sew unit A to B for each ship

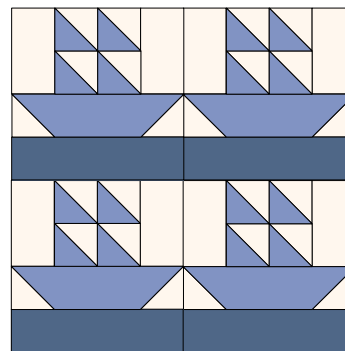

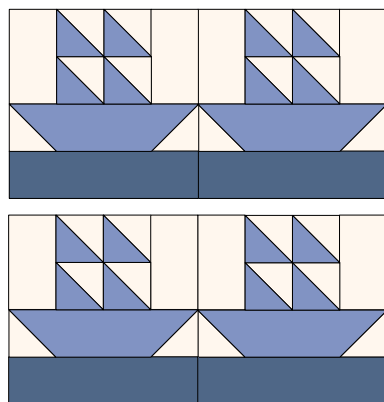

- Sew unit C to the A/B section to finish each little ship

- Sew the little ships together in pairs

- Sew the two sections together across the middle seam to complete the block

Your unfinished block should measure 5"
