

Midget Blocks—Block 117

Midget Blocks are a series of wonderful little blocks adapted from an antique sampler quilt made during the 1930s. I hope you'll enjoy making these blocks and a sampler quilt of your own. Most of these blocks were made using just two colors. A print or solid color and the background fabric. This block in the original quilt was constructed using dark pink solid, light pink solid and the background fabric.

Diamonds- 4 1/2"

In the antique quilt this block is the seventh block from the left in the first row.

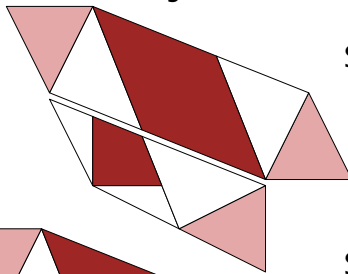

This block is well suited for foundation piecing

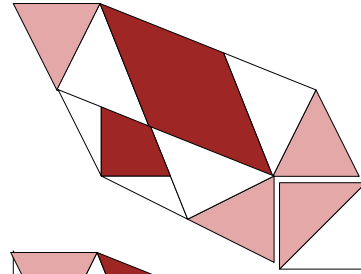

- I wasn't sure how well this block would go together by foundation piecing and was pleasantly surprised with the results. For that reason I'm providing it in that format. The only thing you might want to do have a copy of the pattern for reference when you're sewing the sections together to avoid mistakes.

- Foundation piece sections A to J

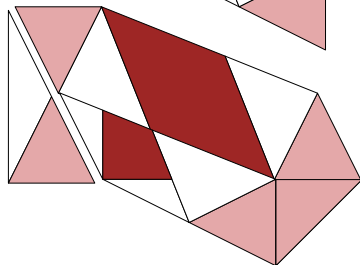

- Sew section A to B

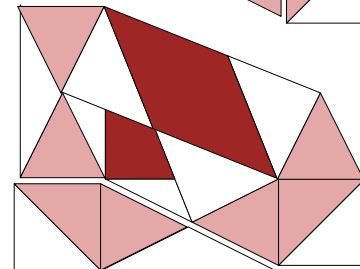

Sew in section G

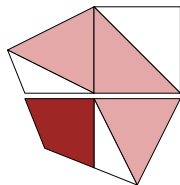

- Add section H

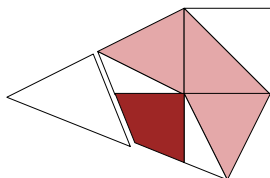

Sew in section E

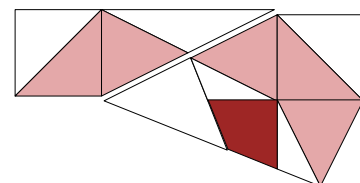

- Sew section D to F

- Sew J to D/F unit

Sew C to D/F/J unit

Your unfinished block should measure 5"
