

# Midget Blocks—Block 121

Midget Blocks are a series of wonderful little blocks adapted from an antique sampler quilt made during the 1930s. I hope you'll enjoy making these blocks and a sampler quilt of your own. Most of these blocks were made using just two colors. A print or solid color and the background fabric. This block in the original quilt was constructed using pink and green solid color fabrics.

## Indiana Puzzle- 4 1/2"

In the antique quilt this block is the ninth block from the left in the eleventh row.

This block is well suited for foundation piecing
