

State Fair Sampler Block 1

The finished size of the quilt is 67" x 75". You'll need to purchase 7 1/2 yards of a background/sashing fabric of your choice. You can use scraps for the contrast color or purchase yardage of one print for a two color quilt. I recommend a total of 8 yards for the color. Remember, there are 56 - six inch blocks in the quilt in addition to a color inner border and pieced outer border.
