

Midget Blocks—Block 120

Midget Blocks are a series of wonderful little blocks adapted from an antique sampler quilt made during the 1930s. I hope you'll enjoy making these blocks and a sampler quilt of your own. Most of these blocks were made using just two colors. A print or solid color and the background fabric. This block in the original quilt was constructed using a blue solid and a background fabric.

Double T- 4 1/2"

In the antique quilt this block is the seventh block from the left in the fourteenth row.

This block is well suited for foundation piecing
